Creation Blue

Platinum Shimmer

Imagine rich blue water rippling calmly as you relax above. The quiet breeze of the day whisps the clouds through the sky, allowing glimpses of the sun's rays past to echo off platinum shimmers.

Vivid Blue Water Color

Creation Teal

Gold Shimmer

Glistening Gold. Clear Aqua Water. Reminding you of the most secluded beach you've ever been to. But here you are, in your backyard, soaking in the sun and enjoying your own beach.

Aqua Water Color

Creation Dark Gray

Platinum Shimmer

This bold design creates a deep, dark blue water giving compliment to modern architecture. Platinum shimmers throughout catch flickers of light, letting you know there's more to the depth below.

Deep Blue Water Color

Creation Light Gray

Gold Shimmer

Perhaps it's the light blue tint of the water or maybe its your sunglasses catching a pop of gold. Creation Light Gray brings the sharpest, high end look to your pool.

Arctic Blue Water Color

The Industry's BEST Swimming Pool Liner

Certified Material

The Chemical Films and Fabrics Association has Certified all patterns in the Michelangelo Vinyl Liner Collection to **MEET** or **EXCEED** the Industry Standard. They are 'fit for use' as a vinyl pool liner. But we didn't stop there...

Engineered To Be...

BEST FOR USE

Through innovation with Continental's talented Chemists, our vinyl material achieves **new levels of longevity and vibrance** through our proprietary blend of Alpha Advantage Shield Coatings. It's truly the BEST Pool Liner.
